

## UNITED RUSH HOUR REWARDS PROGRAM AGREEMENT FOR UNITED MEMBERS

Thank you for your interest in the United Rush Hour Rewards Program, a service offered by Google Nest LLC. ("Google") in partnership with United Cooperative Services, Inc. (United).

United's Rush Hour Rewards Program allows you to participate in a program for residential members offered by United, called "Rush Hour Rewards" using your Google Nest Learning Thermostat. As part of the Rush Hour Rewards Program, your eligible Google Nest Thermostat will automatically change the temperature set-point in your home on the event day without any manual intervention by you. At any time that you desire, you may override this temperature set-point simply by turning your Google Nest Thermostat to a different temperature. As part of the Rush Hour Rewards program, United will work with Google and AutoGrid Systems Inc., United's demand response management system provider, to reduce member usage during peak periods.

Your agreement to these terms ("Agreement") gives AutoGrid Systems Inc. permission to access and use your energy usage and billing information, to enable the Rush Hour Rewards Program and for United to enroll you in Rush Hour Rewards, pursuant to the terms and conditions below. Any additional Google Nest Learning Thermostats installed at your United service address will be automatically enrolled in Rush Hour Rewards.

### Eligibility Requirements

The Rush Hour Rewards Program is available to United residential electric members who meet certain eligibility requirements. In order to participate, you must: (1) be a United residential electric service account holder in good standing with an installed, operable Google Nest Learning Thermostat controlling an air conditioning unit at the service address of the United account; (2) have an 802.11 wireless network at the United service address; (3) have an active Google or Nest account linked to your Google Nest Learning Thermostat; and (4) agree to the terms and conditions set forth in this Agreement.

### Incentive(s)

United account holders are eligible to earn incentive payments or other rewards ("Incentives") for enrolling and/or continued enrollment in Rush Hour Rewards. Incentives will be provided pursuant to the applicable United offer.

The Incentives are provided solely by United. United reserves the right to seek further information to verify your eligibility for the Incentives.

### Agreement

By submitting this Agreement, you agree that:

United may share information with AutoGrid about your energy usage and associated

account and billing data. Such information includes, but is not limited to, consumption and billing data, billing records, billing history, meter usage data, and rate information. Your credit card, checking account, or similar payment information will not be shared by United with Google or AutoGrid.

Google may share certain information (including, but not limited to, your name, email address, service address, United account number, Google Nest Learning Thermostat serial number, activation date, Google Nest account status, runtime data, set-points, and related details) with United to verify that you are eligible to participate in the Rush Hour Rewards Program and to evaluate the comprehensive energy impact of the Google Nest Learning Thermostat. In addition, Google may share with United your decision to opt out of Rush Hour Rewards or your deletion of your Google or Nest account, each of which will automatically result in the termination of your enrollment in Rush Hour Rewards.

The information you have provided as part of this Agreement is truthful and you meet the minimum eligibility requirements. United may terminate this Agreement and not enroll you, or terminate your enrollment, in the Rush Hour Rewards Program if you are not truthful in the information you submit as part of this Agreement, if you do not satisfy eligibility requirements, or for any other reason. You are using United's Rush Hour Rewards Program on a voluntary basis.

You release and hold harmless United from any liability, claim, demand, cause of action, damage or expense resulting from your participation in the United Rush Hour Rewards Program.

This Agreement is effective upon your submitting this Agreement and will continue until you or United cancels your participation. You may cancel participation at any time during the program by calling United (817) 556-4000.
